

Are there seats in the class I want?

The best way to find out if there are seats in a class is to access the application program for your student category, complete your student profile, and then click on Prepare Application, Apply for Training, or words to that effect. Each service has a different label. Below is a sample from the DoD application program.

The image displays two screenshots of the ACQTAS (Acquisition Training Application System) web application. The first screenshot shows the main menu with a sidebar on the left containing various user functions. A red circle highlights the 'Apply for Training' link, with a callout '1' pointing to it. A yellow callout bubble says 'Click Here for Continuous Learning Instructions' and another yellow box says 'Click Here to Register for Ethics Training'. A central logo for ACQTAS is also visible. The second screenshot shows the 'Search for A Course' page. A red box highlights the 'Search' button at the bottom, with a callout '3' pointing to it. A red box on the right side of the page contains the text 'Identify the course you want' with a callout '2' pointing to it. A red arrow points from this box to the 'Course' dropdown menu, which is currently set to 'ACQ 201B - INTERMEDIATE SYSTEMS ACQUISITION'. At the bottom of the page, there are navigation links: 'Apply for Training', 'Review Application(s)', 'Change Profile', 'Resend Notification', 'Student Travel Menu', and 'Logout'. A callout '4' points to the bottom of the page with the text 'Go to next slide'.

2

Identify the course you want

3

Search for classes of that course

4

Go to next slide

Are there seats in the class I want?

These columns tell you how many seats are available and how many waits are already in the system.
